ADNOC IN DUBAI

WWW.GULF-CAREERS.COM/ in CO

The image shows an ADNOC gas station with a blue and white color scheme. The text 'Walk-IN-Interview' is written in a large, bold, brown font. Below it, 'ADNOC IN DUBAI' is written in a large, bold, red font with a yellow outline. At the bottom, there is a yellow banner with the text 'WWW.GULF-CAREERS.COM/' and a LinkedIn icon followed by 'in CO'. A watermark 'default watermark' is visible across the center of the image.

ADNOC Careers Jobs in Dubai

### About ADNOC Group:

Established in 1973 as the first UAE government-owned company specializing in the national and international marketing and distribution of petroleum products, ADNOC Distribution is now one of the region's largest and most innovative petroleum companies. We are the UAE's leading operator of retail fuel service stations and the sole retail fuel operator in Abu Dhabi and Sharjah.

## Experience:

- +4 years of experience demonstrating depth and breadth in state-of-the-art machine-learning, deep-learning, computer vision, natural language processing, signal processing, or other AI technologies.
- Experience with management of teams of at least 2 Data Scientists
- Relevant experience in industry or academia.
- Demonstrated experience in developing core AI algorithms in industry or for real-world problems.
- Demonstrated relevant experience in implementing robust and scalable industrial AI solutions.
- Experience in the oil & gas exploration & production company or oil field services company is a plus.

## OUR VISION

We harness energy resources in the service of our nation.

## OUR MISSION

Through partnership, innovation and a relentless focus on high-performance and efficiency we maximize the value of energy resources.

## OUR VALUES

ADNOC has been entrusted with managing, developing and preserving Abu Dhabi's hydrocarbon reserves. This role comes with many responsibilities – to our shareholders, neighbours, customers, communities and our environment.

The values of our company, and our country, are inspired by our founding father, the late Sheikh Zayed bin Sultan Al Nahyan. They are the bedrock of our entire philosophy, and inspire and inform the way that we conduct ourselves every day.Â

Our values are the core principles that guide our decision making, and ensure consistency in our employees' actions and behaviours. They represent our organization's collective commitment to set, achieve and exceed ambitious targets.

### ***Progressive***

We harness the UAE's spirit of innovation to ensure that our business remains at the forefront of the global energy industry.Â

### ***Collaborative***

We work in close collaboration with our partners and peers, leveraging our collective strengths to deliver mutually beneficial results.

### ***Respectful***

We encourage a culture of inclusivity and mutual respect, and always operate to the very highest professional and ethical standards.

***Responsible***

We are committed to proactively identifying ways that we can make a difference to our community, while maintaining an unwavering commitment to health, safety and the environment.

***Efficient***

We are a performance driven company, dedicated to maximizing the value of energy resources for the benefit of our people, our community, our partners and our nation.Â

**OUR CULTURE**

Our fundamental spirit and the character of our people.

***Bring the energy***

Unwavering passion, energy and enthusiasmÂ defines our character and is reflected in how we work.

***Embrace teamwork***

Collaborative work is critical to our success and founded on the understanding that together we achieve more than we can alone

***Seek excellence***

We thrive on innovating new solutions, seizing opportunities and raising standards across everything we do.

***Deliver results***

We are driven to deliver and willing to do what it takes to ensure meeting our targets and reaching our aspirations.

***Exceed expectations***

We endeavor to achieve our best everyday and to never settle for anything less than the very best from ourselves, our people and our company.
