NFPC Career In Dubai

### Â About Us National Food Products Company:

NFPC (National Food Products Company) was founded in 1971 with the establishment of a dairy production facility in the middle of the Arabian Desert in Abu Dhabi. With Milco starting its operations in the United Arab Emirates capital, we were committed from the start to two basic principles – quality

and service. In 1977, NFPC Started its own manufacturing plant for plastic cups Modern Plastic Company- MPC, the second addition to the group, and another first for the UAE.

In 1976, a group was established to import dairy products from Europe. The operation grew quickly and a joint venture company in partnership with the Danish / Swedish co-operative Arla was established. Arla's best-selling brands in the region are Lurpak, Three Cows, and Puck. In 1981 Long-life milk and fruit juices were added to NFPC products portfolio, when we bought LACNOR, a French-owned enterprise based in Sharjah, United Arab Emirates.

### Eligibility Criteria:

- Having proven working experience either in FMCG or the manufacturing industry.
- Having the ability to speak English for interacting with customers (mandatory on a basic level).
- We set some age brackets which can be found in the link below.
- An individual must be ready to start work immediately.
