Qatargas Jobs In Qatar

### About QatarGas:

Qatargas is a unique global energy operator in terms of size, service, and reliability. The Company operates 14 Liquefied Natural Gas (LNG) trains with a total annual production capacity of 77 million tonnes. This makes Qatargas the largest LNG producer in the world.

Established in 1984, Qatargas develops, produces, and markets hydrocarbons from the world's largest non-associated natural gas field. In addition to producing LNG, Qatargas is also a leading

exporter of natural gas, helium, condensate, and associated products.

Today, Qatargas continues to set the benchmark in the LNG industry as it safely and reliably supplies energy to customers all over the world.â€‹

## Qualifications

- Bachelor's degree in Engineering, Sciences, Economics, or Business Administration or associate degree.

## Knowledge and/or Experience

- 8 years of general business or industry experience including a minimum of 6 years of hydrocarbon sales contracts management experience preferably with marine export exposure.
- Knowledge of the refining industry.
- In-depth knowledge of contracts and their interpretation.
